MESSAGE *from the* MANAGER

Hello Lake Cherokee family,

What an eventful month we have had. Summertime is always our busiest season on the lake, and the past month was no exception. I would like to provide a brief update on recent happenings and share important information regarding the upcoming July 4th holiday.

The Church at Lake Cherokee recently hosted its annual Vacation Bible School on the island; by all accounts, it was a wonderful success, and the children involved had a fantastic time. Additionally, the CWC held its annual boater education class, which provided comprehensive training on water safety, state boating laws, and CWC rules and regulations. The course was led by our Lake Patrol officers, a local game warden, and instructors from Texas Parks and Wildlife. We were also honored to be joined by a retired United States Coast Guard Captain, who previously served with the Department of Homeland Security. As always, this training was highly successful. A huge thank you to our very own Cathy Hite, as well as other CWC staff for all the hours of work they put in to make this class not only happen but to be so successful.

Furthermore, for over a week, our Lake Patrol officers were joined on the water by the Longview Fire Department's Water Rescue Team and Rescue Training International, a specialized boat rescue service from South Texas. During this week of training, our officers received expert instruction in various water rescue scenarios and advanced boat handling techniques. As with any successful and safe summer, it takes everyone's cooperation to ensure our waters remain secure for all.

Our annual July 4th celebration will commence on the 4th at 10:00 AM with the boat parade. This year's route will begin at Firecracker Park and proceed east. In response to overwhelming requests from

Kevin Jones
General Manager, Lake Cherokee

shareholders, the route will travel closer to the boathouses this year. The boats will operate at a 'no-wake' speed, providing shareholders with a safe, close-up view of the decorated vessels. The route will continue east to the SP boat ramp, then head north across the water toward the wedding deck at the main office, passing in front of the main office pier where the judges will be stationed. The parade will then travel west along the north shore to NO 16, the Mannequin House, head south across the lake toward the new Veterans Memorial Park and conclude back at Firecracker Park.

The fireworks display will begin at 9:30 PM. The broadcasting station strongly encourages shareholders to listen to the show's audio via QXFM 100.3 radio rather than live streaming, if at all possible. Live streaming introduces a delay that causes the music to fall out of sync with the fireworks. Furthermore, high volumes of live streaming traffic will increase this latency. I have added several new elements to the fireworks display this year to enhance the excitement, give it a new feel and I will have numerous large, concert-style speakers positioned around the main office to ensure better volume and clarity across the water.

As this is one of our busiest days of the year, please remember that all boats anchored throughout the lake must have their navigation lights illuminated once it becomes dark. Please be mindful that many individuals will be floating in the main body of the water near their boats; exercise extreme caution when navigating through these areas. Once the show concludes, I ask that everyone practice patience while returning to their homes, particularly when navigating the boat roads.

As with any successful and safe summer, it takes everyone's cooperation to ensure our waters remain secure for all.

Respectfully,
Kevin Jones, GM

Philippians 4: 11-13

BOATER SAFETY COURSE

On Saturday, June 6th, CWC hosted their annual Boater's Safety Course. There were about 25 in attendance to learn (or freshen up) on their boating skills. Guest speakers were David Applewhite, US Coast Guard representative and Game Warden Todd Long. We thank our guests and instructors for the time and effort it takes for making this class successful. Congratulations to all those new licensed boaters! Boat safely.

Cathy Hite Office Manager's Article

Shareholders,

By now, everyone has probably heard about our project with ETCOG (East Texas Council of Governments) to assign physical addresses to our lots. This project will take several months to complete. We started with the North Side lots for both Gregg and Rusk County. Everyone will receive a verification letter form ETCOG that provides the new address that was assigned. We were able to keep our street names with very few, minor changes.

Why are we changing?
This was needed to comply with health and safety standards established by the State Administration of Emergency Communications. This is an important step for us at Lake Cherokee in improving our Emergency response times. As we all know, seconds are important when it is a life and death situation. In addition to improving our emergency response times, this should also improve our delivery issues. I can personally relate as I have had many packages returned due

to a delivery company not being able to locate my address on Google Maps. The issues are not limited to just UPS, Fedex or even Amazon. Many vendors are now using companies that leverage GPS technology to streamline their deliveries.

Southside Shareholders, we have not forgotten you. Your lots are next. We will start this process in a couple of weeks. It will take some time for ETCOG to assign the addresses so I ask that you be patient. Our goal is to accomplish this as quickly as possible and with minor changes to the street names.

I will send out communications regarding what you will need to consider such as changing your mailing address with some of your vendors when the time comes. If you don't receive your mail or deliveries at your LOT location, this has little impact on you.

Change is hard. and usually not welcome. But it is necessary. Your support and patience is appreciated.

Neighbor Helping Neighbor

Cherokee Cares Fund helps support Shareholders within the Lake Cherokee community who are facing challenges or hardships, with a mission to uplift neighbors in need by offering access to vital resources and compassionate assistance. This can be in the form of volunteer assistance, professional services, or financial aid.

As funds are available, applications for assistance are considered by the LCCF Board of Directors or the Cherokee Cares Co-Chairs. If you know of shareholders who are experiencing age-related difficulties, physical or mobility challenges, or temporary financial crisis, contact Cherokee Cares Co-Chairs Christi and Jeff Traylor. (817-480-3369)

LCCF is 100% funded by donations. The link below will take you to the website for making donations or gaining information on the Cherokee Cares Fund. If every shareholder gave \$20, the fund would be able to care for neighbors who need

LCCF also has information on the CWC Portal for easy access. If you would like to volunteer to help a Shareholder who can't maintain their lot, run errands for a Shareholder who is a shut in, or offer your professional services when needed, contact the Traylor's to join the list of volunteers who can be called from time to time.

KIDS FISHING

MONTHLY Contest

\$50 MONTHLY PRIZE FOR: BASS · BREAM · CATFISH · CRAPPIE

CONTEST BEGINS APRIL 1ST!

If you have a child, grandchild, or relative age 16 & under – this contest is for them!!!

- The winner of the heaviest in EACH SPECIES gets a \$50 check! EACH MONTH!
- Fish categories: Bass, Catfish, Crappie & Bream
- Contest runs April 1st – August 31st
- Winners will be presented with personalized certificate & \$50 prize at the monthly Fishing Club meeting! (Or checks can be mailed)
- A GRAND PRIZE will be drawn at the end of the season from *all entries received.*

Below are the contest rules:

1. Enter catches simply by emailing a photo with contestant holding their fish on scale to fishingcherokee@gmail.com
2. Weight of the fish and fish must be visible in the photo.
3. Email entries must include: Photo, youth's name, lot number, mailing address.
4. All submissions must be made to fishingcherokee@gmail.com to be considered.
5. You will receive a reply to your submission to confirm you are entered.
6. All fish MUST be caught on Lake Cherokee.
7. In the event of a weight tie, the 1st received entry will be the winner.
8. By entering the contest, participants grant permission for the winner's photo to be published along with the youth's first name on social media and in local publications (e.g., Cherokee Chatter).
9. The monthly contest closes on the last day of each month at *midnight* & a new contest begins the 1st of each month.

Board Meeting Minutes

A meeting of the Board of Directors was held on June 18, 2026. 6:00 p.m., at NK 20 Lake Cherokee, Longview Texas 75603 with the following Directors present:

Gary Mapes, President	Colby Mize
David McDaniel, VP	Jeff Patty
Rhonda Bullard, Sec	Justin Simmons
Cody Edmondson	Beth Swindell
Ken Hall	Absent: Logan LoBue,
Alan Koelemay	Mary Yoder

The meeting was called to order at 6:00 p.m. by President Mapes. A quorum was announced by Secretary Rhonda Bullard.

President Mapes called on Secretary Bullard for approval of minutes. A motion was made by Mrs. Bullard to approve the minutes of May 21, 2026, as electronically distributed to the Board of Directors. A second was offered by David McDaniel. The motion passed unanimously.

General Manager Kevin Jones gave an overview of operations, displaying slides regarding maintenance hours and Patrol activities. GM Jones shared slides and information on the Water Rescue Training conducted for Patrol recently. CWC Patrol received numerous certifications through multiple trainings, including boat maneuvers, scene management, struggling victim recovery, and more. The training director suggested a list of equipment CWC might consider purchasing to best equip patrol in the event of an emergency. Kevin also announced the annual Boater Education Class held in June was very well attended; staff and shareholders have received a great deal of water education over the last several weeks.

LAKE CHEROKEE SECURITY REPORT MAY 2026

FACILITY CHECK: 2632
OPEN DOOR: 10
SUSPICIOUS VEHICLE/PERSON: 11
WELFARE CHECK: 2
ASSIST SHAREHOLDER: 49
ISSUE TREE PERMIT: 7
ANIMAL ASSIST: 3
CLEAR ROADWAY
OF TREES/DEBRIS: 14
EXTRA PATROL: 247
DISTURBANCE: 0
ALARMS: 5
VEHICLE / BOAT ACCIDENT: 0
WATER RESPONSE/BOAT TOW: 6
ASSIST AGENCY: 1
BURGLARY/THEFT: 0

Kevin reported that maintaining boat road markers and lights is an ongoing, constant role for maintenance and patrol. Replacement is costly and time consuming but is a top priority for the safety of Shareholders navigating the water.

Kevin congratulated the Preservation Club on a very successful and safe Wet & Wild Boat Rally. He stated it has been a very busy start to the summer on the water with all the activities. Safety is always the first concern, and he looks forward to a full summer of fun, keeping safety as the number one focus.

President Mapes gave the Treasurer report in the absence of Logan LoBue. He stated being eight months into the current fiscal year, representing 66.67% of the annual budget period, total Operating Revenue is at 67.65% of budget, which is slightly above the expected budgeted level for this point in the fiscal year. Total Operating Expenses are at 58.04% of budget, which is well below the expected budgeted level.

While expenses remain favorable, several significant maintenance projects are typically performed during periods of lower lake levels and warmer weather. These include, but are not limited to, spillway maintenance and road repairs, both of which are expected to impact expenditures during the remaining months of the fiscal year. President Mapes made the motion to approve the monthly financials for May 2026; Rhonda Bullard offered the second. The motion passed unanimously. President Mapes then made the motion to approve the bills paid for May 2026. A second was offered by David McDaniel, and the motion passed unanimously. Rules & Policies Chair David McDaniel reported the committee is recommending approval of the following variance requests.

NQ 14 - 500' shop building with one corner being less than 50 from the lake road (37'). Cody Edmondson and Colby Mize recused themselves from the discussion and vote. Chairman McDaniel made the motion, a second was offered by Ken Hall; the motion passed.

SN 35-porch extension to match existing porch, bringing addition less than 75' from the water (68') Chairman McDaniel made the motion, a second was offered by Cody Edmondson. Coby Mize recused himself; the motion passed.

VARIANCE DEADLINES 2026

6/30 - 7/16 Board Meeting
8/4 - 8/20 Board Meeting
9/1 - 9/17 Board Meeting
9/29 - 10/15 Board Meeting
10/27 - 11/12 Board Meeting

SR 46-remove existing 6' wooden fencing between SR 45 & SR 46. Replace fence retaining wall with 2' concrete block wall and 6' wooden fence on top, resulting in 8' fence between houses, and 90 feet of 4' chain link fence to the water.

Chairman McDaniel made the motion, a second was offered by Cody Edmondson. Colby Mize recused himself; the motion passed.

David McDaniel, Natural Resources Committee Chair, reported the Committee did meet and received an update on the Wildlife Exemption status from Kevin. All paperwork has been filed and is in the hands of the respective County officials. He also announced the Committee is researching an opportunity for a Conservation Grant; this effort is being led by Beth Swindell and Rhonda Bullard.

Infrastructure Committee member Beth Swindell reported the Committee reviewed the traffic count data collected from the NP-FM 2011 section which revealed the axle count is lower than the roads were built for. These data points are greatly assisting in a cost-effective road repair/replacement plan. The Committee wants traffic count data (for forecasted repair/replacement) at NW (Beaver Run) section, NF-NG section and SO-SS section to help prioritize next road projects. The Committee also discussed maintenance

If you have any questions regarding a property or stock transfer, please feel free to contact
Misty Conway (903) 643-3933 or misty@lkcherokee.com

and replacement of boat road poles and looked at equipment that might be needed to better manage this ongoing issue. When at all possible, these tasks are handled with patrol and maintenance staff to reduce the cost of third-party vendors.

The Committee was also made aware that the Elderville Fire Department is considering the purchase of a firefighting boat. Kevin reported he has offered the EFD boat slip space on Lake Cherokee should this purchase come to fruition. There was no action to be taken before the Board.

With no other business, Gary Mapes, President adjourned the meeting at 6:24 p.m.

Fish Tracking - Creating A Database

Introduction

Tracking fisheries with precision can be a difficult thing to do, particularly in larger lakes. This is because more data, from across different areas and seasons is needed to make accurate management decisions. Now, it some issues, such as overpopulation of predators is easily spotted with a few data points (poor body condition) but accurately measuring how much harvest and management it takes to correct issues lakeside and for different species is not as fast and easy to collect. This is where the teamwork component of lake management between my team and everyone reading this article comes into play.

Data Tracking

The most valuable data to collect from a fishery management standpoint is length and weight data for every species that you catch. Forage fish (bluegill, redear, shad, etc.) do not need weight data since we are focused on making sure we have enough "food sized" forage but sportfish lengths and weights give a lot of insight on how healthy the fish in the lake are. Over the last three years we have seen a fair amount of improvement in the bass and crappie body condition in Lake Cherokee, however, starting management is the easy part that shows the fastest results. Dialing in management is where more data is needed and more effort is required, but is also where the super healthy, trophy potential shows up.

How do we accomplish this data collection?

Historically, we have collected data on sportfish in Lake Cherokee in three ways: electrofishing, tournament data, and angler catch records. Currently, we only have electrofishing and tournament data as angler catch records were only reported intensively for about 5-6 months after I began managing the lake. However, angler catch records are infinitely valuable because they show seasonal shifts and continuous progress monitoring with hundreds to thousands of data points, as well as species diversity and catch rates.

All of this information allows us to make better harvest and stocking decisions, which ultimately improves the Cherokee Fishing Experience. I am currently working with a handful of anglers out on the lake to get data but the more participants we have, the better we can make the fishery for everyone.

Data Types

I understand that not everyone wants to take the time out of their fishing day (especially when the fish are biting) to weigh and measure every fish; if you will, that is ideal but if not just overall catch records or even photo records so that species and quantity can be recorded is valuable. The more we know about the fish in the lake, the better decisions that can be made to manage them. If you are interested in sharing your catch information please contact the office at office@elitelakemanagement.com.

Your Guide to Fourth of July @ Lake Cherokee

Island Closure - Saturday, July 4th

For safety reasons, Firecracker Park will close Saturday, July 5th when the fireworks trailer arrives. Because of the size of the show and the extensive setup required, this will be mid-morning and it will remain closed until after the fireworks show that evening. Please keep this closure in mind when scheduling any plans you have at the island that day.

IMPORTANT REMINDER TO ALL SHAREHOLDERS

On the night of Saturday, July 6th, before the Annual Lake Cherokee Fireworks Display, the afterhours Patrol line (903-643-7321) MUST be kept free for emergencies ONLY! We receive numerous calls on this line from shareholders requesting the start time. Please tune in to QX-FM, 100.3. If there are any long delays, the radio station will notify the listeners. Thank you for your consideration.

Saturday, July 4th

Boat Parade 10:00 AM
Fireworks Show at Dark

Fireworks Broadcasts Live on QX-FM, 100.3

One of the most anticipated events of Lake Cherokee life is the Annual Fireworks Display. This year, they will be on Saturday, July 4th. No rain out date. Look for it to start just after dark, about 9:30 or so. This year's spectacular show will run approximately twenty minutes. To get the full impact, you will need to tune your radio to QXFM, 100.3 to hear the soundtrack for the display. QX-FM is easy to receive anywhere on Lake Cherokee. It's a great opportunity to pump up the volume while we observe this celebration of

our nation's independence. It is the one time of the year when your neighbors won't mind hearing your music. Chuck Conrad, general manager of QX-FM, is planning to bring the radio station's portable sound system to the CWC Lake Office grounds so people who want a great view can enjoy the show with full audio accompaniment. All that's required on your part is to bring your own lawn chair or blanket. Playing "America's Original Classics," QX-FM is locally owned and programmed. Everything originates in the station's studios located in Chalk Hill. It's a fun combination of music from different genres. There isn't another station quite like it anywhere else on earth, but thousands of people from every corner of the world tune in every month via the internet to listen. It is truly something quite unique to our community. Your friends and relatives can listen too: just visit www.qx-fm.com and click on the "Click to Play" icon. You'll be listening in no time. QX-FM can also be found on the Tune-In Radio app as well as through numerous popular search engines.

Lake Cherokee Annual Boat Parade

Sponsored by:

The Lake Cherokee Annual Boat Parade will be held on Saturday, July 4th at 10:00 am. So be thinking about what you want your boat or barge decoration theme to be.

All you have to do is show up in the area east of the island at 10:00 am and join the procession in front of the judges' stand at the CWC office pier.

You can follow the traditional *Patriotic Theme* or let your imagination carry you into the *Open Theme* category.

Please contact CWC if you plan on participating this year.

The Preservation Club met on June 18th after the Board meeting.

We had a great turn out for the Sink the Island!! Thank you Spencer Patterson and all of your volunteers and sponsors who make this event possible!

Wet & Wild

The 2026 Wet & Wild Boat Rally was a huge success!! It was a beautiful warm but dry day. We had 464 participants and an additional 94 boathouse workers.

We would like to extend a huge thank you to our Boathouse Hosts and their workers. We apologize in advance for anyone who has been left off this list.

1. **NI-09 Rock the Boat** - Jesse & April Rangel, assisted by: Dana & Tandy Deason, Troy & Shannan Moore, Noel & Linda Howlett, Sierra Rangel, Jimmy & Melissa Cox, Michael & Missa Hancock, Dink & Donna Mitchell, John, Nikki & Taylor Land, Troy & Penny Ford, Paul & Lisa Goettle, Mark & Mary Somers, Thomas White, Jennifer Shofner, Joseph Tomlinson, Jake Hall, Julie & Donnie Stuckey.

2. **NS-04 Camp Crystal Lake** - Dan & Tracie Daily, assisted by: Scott & Tina Nichols, Eric & Sally Nichols, Steven & Megan Hamner, Blake & Stephanie Oubre, Maddie & Jennifer Scott, Adrian & Annabel Backmon, Leilin Hamner, Chad Paul, Ryan & Kelsey Oney, Haley Oney, Jennifer Hamm, Rehgan Nichols, Amy Vasek, Nicholas Bunch, CJ Collins and Bartlett.

3. **SL-14 Yacht Rock** - Jimmy Don & Wendy Jones, assisted by: Melvin & Joanne Jordan, Kim & Clint Ebey, Max & Teresa Vinson, Brian & Jan Davis, Halle Burgess, Danny & Samantha Haywood, Carry & Nicolas Burnett, Neely Duncan, Suzette & Mark Winnery, Angie & Larry Gideon, Tim & Cheryl Inman, Laurie Jones.

4. **ST-78 Out to the Ballpark** - Nikki Wynn assisted by: Shane Abernathy, Will Abernathy, Dee Ann & Gary Mapes, Laurie Brown, Ashley Brown, Matt & Lauren Renfro, Lanae & David Self

5. **NP-20 Cherokee Classic** - Mark & Chloe Coleman assisted by: Dylan Brown, Abby Adkisson, Macklin Hart, Zack Baldwin, Caiden Corman, Lauren & Chandler Reed, Logan Burke and Justin, Tommy & Shay, Claire Alford, Robin Liles.

6. **Island Workers** - Larry & Angela Wayt, Bart & Judy Owens, Lisa & Logan Lobue, Martha and Danny Weant, Deanna & Michael Kalmus, Tom & Carol Welter, Travis & Brandy Parker, Jeff Kraft, Mike Reader, Karen Day, Karla & Roberto Cristi, Lauren Cunyus, Darrell & Jane Wolven, Charles Martin and Debra Hightower.

We know you all worked very hard to make this event happen!

The winners of this year's event were High Score- 67 Jess Owen and the Low Score with a tie of 11 were Jessica Modisett and John Lebus. All went home with some great towables.

We would like to also thank all of you who participated and know you all had a fabulous time. So until next year....

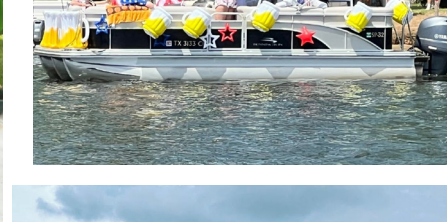

Thank you to everyone who came out and enjoyed the concert on the island by Preston Barrett and the Haze!. Always a great time on the island!

The fireworks will be on July 4th at 9pm.

Hope everyone is able to enjoy the show, whether by boat or by land. Please be cautious of traveling in the boat roads, especially at night

Looking forward to seeing you out on the lake!

We are always looking to meet new faces, and get new ideas for our beautiful lake! If you are interested in helping, please join us at our next meeting on July 16th after the board meeting at the CWC offices.

wsia WAKE RESPONSIBLY

The Water Sports Industry Association (WSIA) strongly recommends the following:

1. Always try to wakeboard or wake surf in the center of any given body of water, and avoid narrow channels or thoroughfares, if possible.
2. Always try to stay at least 200 feet away from any shoreline, dock, or fixed objects.
3. Maintain a reasonable sound level on your stereo.
4. Always respect the shoreline you are using and if the property owner asks that you leave, do so immediately, and always be gracious with the property owner.
5. Repetitive passes result in an accumulation of energy reaching the shoreline. Repetition is never a good idea and can lead to risk of waterway conflicts.
6. The non-surfing side of a wake surfing boat creates waves that are 10% to 23% smaller with 23% to 33% percent less energy than the surfing side. When possible, present the non-surfing side of the boat to the closest shoreline.
7. Waves tend to increase in height on the inside of a gradual turn. Avoid such maneuvers close to shore.
8. Glass calm water is not a requirement for wake surfing, be respectful and operate as far from shore as you can.

You can find additional information on the WSAI website: <https://wsia.net/>

Lake Cherokee Photography Club

The June meeting of the Lake Cherokee Photography Club was held at the lake office on June 9, 2026. Our guest speaker was Marc Bailey, who presented a program focusing on photography documenting history. He presented a slide show of historical images that prompted major changes through out history, such as the plight of child labor, life of the poor, and tanks in Tiananmen Square with the tanks approaching a protester. He encouraged us to look at our images though this lens. He presented the first photograph ever taken, and early “flash” photography. There was discussion as well. He also presented images of how early on, people were experimenting with creative and sometime ‘Head Scratching’ results. Thank you Marc for this presentation.

July 14, 2026 We decided to have a “Toast to Summer”, a meet and eat party on the patio. Bring a favorite summer food, a lawn chair if you wish and we will have some time to photograph as well.

August 11, 2026 Give us your best shot! Bring your best 5 images from any time. (preferably on a thumb drive or SD card)

September 8, 2026 Classic Car shoot in the SB section. Try your hand at creative images of classic cars. More details later.

October 13, 2026 We have talked about a field trip to the Arboretum several times. Our last business meeting, we discussed meeting on a Sunday 2:00-5:00 on either October 11 or 18. Need to discuss.

November 10, 2026 Veteran’s program? Veterans’ Day November 11 at the Lake Memorial.

Photo Credits: Holly Treadway

December 8, 2026 Holiday event

January 12, 2027 Marc Bailey has agreed to provide program for that meeting.

The Lake Cherokee Photography Club is open to all lake residents. Most members are cell phone photographers, although several have more advanced equipment. Whether you are a beginner, intermediate, advanced or professional, we welcome you. We meet on the second Tuesday of the month, downstairs at the lake office at 6:00 PM. The group has a Facebook page as well as an email list. If you would like to be added to the email list, or have question, let Holly Treadway know by texting information to 903-399-0066. You will receive an email reminder the weekend before the meeting. We hope to see you at the Toast to Summer.

First Friends met June 18, 2026

We had a relaxing potluck lunch at the lake in the home of Penny Dant - no program, just lunch and an update on the cookbook project. To celebrate the final stage of the cookbook - we each brought a dish from a recipe that we had submitted to the project and we shared a great meal and fellowship together.

Hostesses: Penny Dant & Delores Toon; Others in attendance were: Donna Mitchell, Judi Morgan, Lori Klump, Jennifer Kranzman, Charlotte Blaylock, Teresa Davis, Roxanne Brink, Jeanne Collins, Karen Franklin, Barb Robar & Gail Fowler Not shown, our photographer- Lisa Goettle Door prize winners were: Jeanne Collins, Charlotte Blaylock & Jennifer Kranzman

Cookbooks will be here in September and we are extremely excited !!!! Get your orders in so you don't miss out!!! Contact Gail Fowler at bogafowler@gmail or ANY First Friend contact to order in advance! Cookbooks are \$20. Any money we have left over after cost will be donated to our Lake Cherokee Veterans Memorial Wall.

We had a great turnout for the June meeting. Forty-six members and guests enjoyed Pete and Carol's eye of round and gravy, along with rice, peas and mushrooms. Larry Willis, Larry Lacewell, Wiley Thomas, Logan Lobue, Bob Tippitt and George Steele provided sides. Jones Supply & Manufacturing spoiled us with minibundts and cake pops for dessert.

President Keith Hightower welcomed our new members - Jonathan Martin and Jane Allen; and guests - Alice Berryhill from Coolidge and Company; the families of the kid's fishing contest winners; and Casey and Justin Williams, Ashley and Cory Davis and Linda Davis from Jones Supply.

Keith thanked the volunteers who helped with table set up on Sunday: Doug Klump, Dan Daily and Jerald Lewis; and those that were staying for kitchen clean up after the meal: David Wilson and Larry Willis. We always need volunteers and truly appreciate those that step up.

Bryce Tawney gave the treasurer's report. We now have 114 members. We have also donated \$100 in Genia Holland's memory to Samaritan House, one of her favorite charities.

Bryce then offered some guidance on the new address requirements from East Texas Council of Governments, (ETCOG) recommending you use the "Zip Code by Address" search on the Zip Code Lookup page. If it returns the new address, the USPS system has been updated. After that point, you should be able to change your address with other entities that rely upon the USPS system for validation.

George Steele reported crappie are still to be found on the habitats. Gary Lindsey reported the effort to populate the hatchery ponds with blue gill is just about finished. Bryce carried the load and has proven to be the "Blue Gill Whisperer!" The ponds have also been stocked with minnows from Jones Supply and 4000 Florida Bass fingerlings are to be stocked within the next week or so.

David Wilson reminded everyone of the Big Bass Bounty, which is underway until the Fall Bass Tournament. Current leader is Dawson Jaskiewicz with an 8 lbs., 2 oz catch. Latest results can be found on our CFC Facebook page. Send your photo

to fishingcherokee@gmail.com to enter. Winner will receive a nice rod from Pride Fishing Rods!

Crappie tournament is August 29. Entry rules and forms are in this edition of the Chatter.

Doug Klump then introduced Alice Berryhill to present the winners of the May Kid's Fishing Contest: Ridge, the bream winner with a 12.8 oz catch; Dawson, with his 8 lb. 2 oz bass, and Leighton, who caught a 6.4 oz crappie. Catfish winner, Carter, couldn't be there, but he brought in a nice 4 lb., 4 oz fish. Contest runs through August. Submit photos of kids holding their fish on a scale to fishingcherokee@gmail.com.

Winners are announced each month and ALL entries are eligible for the grand prize drawing at the end of the contest.

John Jaskiewicz introduced our guests from Jones Supply and Manufacturing. A lot of improvements have been made, with expansion of their patio shop and fishing supplies. They also do custom welding (keep that in mind for new address signs), have a wide variety of hardware items, manufacture drainage solutions and offer complete septic system materials. The group provided input about additional services or items that would be useful, with particular need of fish food for feeders. The 24/7 bait shop, offers minnows, worms, frozen shrimp and other delights. Minnow delivery is every Thursday. They have truly partnered with the lake and our community to support fishing and rural needs. Stop by and check it out!

We wrapped up with the raffle, and it was a big one. Jones provided 7 goodie bags, won by: Jerald Lewis, Cary Small, Gary Lindsey (2), Linda Steele, Ridge and Keith Hightower. The "Zack Fogel Special" worm set-ups were awarded to Dave Cravey and Wylie Thomas. Hi-Yah baits goodie bags to Jim Barton and Bryce Tawney. Restaurant gift cards to Gary Lindsey, Wylie Thomas and Ridge. And finally, the famous fast-flow gas can also went to little Ridge, our May kid's fish winner for bream. In fact, Ridge made such a haul and was so proud of it, he willingly posed for another photo. Congratulations to all!

Next meeting is July 13 at NK 20, CWC Office. Dinner is at 6:30 and our speaker will be Jeff Gage, from Plano Marine. Guests are welcome and membership is only \$20 per calendar year. Hope to see you there!

Lori Klump, Secretary

Cherokee Fishing Club

2026 Crappie Tournament Entry Form

MUST BE A CURRENT CHEROKEE FISHING CLUB MEMBER

Saturday, August 29, 2026

Event Start Time: 6:30 A.M.

Ridge - Jones Manufacturing and Supply Big Raffle Winner and May Bream Winner

CHEROKEE FISHING CLUB
CFC CRAPPIE TOURNAMENT RULES AND REGULATIONS
MUST BE A CURRENT CHEROKEE FISHING CLUB MEMBER

A. General Rules

1. All Texas rules of the Texas Water Safety Act apply to all tournaments. The CWC Lake Patrol will enforce the CWC Rules, TP&W Rules and Regulations, and the Texas Water Safety Act.
2. A USCG-approved life vest must be worn by each boater any time the main motor is started or running. Inflatable life vests are permitted, provided they are worn at all times.
3. No alcohol or drugs are allowed while fishing in the tournament. Violations will result in disqualification.
4. Any person found to be cheating or endangering watercraft, its occupants, or the property of others will be disqualified and may be banned from all Cherokee Fishing Club events.
5. All weigh-in results of the Tournament Scale are official. Any protests must be brought to the Tournament Director's attention at the time of weigh-in. The Tournament Director's decision will be final.
6. All participants must display good sportsmanship. Unsportsmanlike conduct, including cheating, harassment, or verbal/physical interference with the weigh-in or with other participants, will result in disqualification.
7. No Fishing is allowed within 100 yards of the tournament weigh-in location.
8. Fishermen must be in the Weigh-In line no later than the designated time of the end of the tournament.
9. The Cherokee Fishing Club does not provide tournament weigh-in bags, and all fish must be placed in a tournament bag, with sufficient water to keep the fish alive during the weigh-in process.
10. Entry fees will not be refunded unless the tournament is canceled or postponed by the CFC President or Tournament Director.
11. Participants may fish from the bank, a dock, a boat, canoes, kayaks, rubber rafts, and float tubes.

B. Crappie Tournament (White, Black, or Black-Nosed)

1. Registration Fee is \$50.00 per boat for two people and \$25.00 for each additional person in the boat. The team-sponsoring shareholder, or one person in the boat, must be a current paid-up CFC member.
2. Only rod and reel fishing is allowed with live or artificial bait. No nets, traps, or other methods are permitted. Each Participant is limited to no more than 2 poles with not more than 2 baits on each pole in the water at a time.
3. Start time is 6:30 a.m. and Weigh-in time is 1:00 p.m. Participants may weigh in any time after 12:15 p.m. until the final weigh-in time, or in line by 1:00 p.m. Late arrivals will not be allowed to weigh in.
4. Bag limit is five (5) Crappie per boat and must be alive at weigh-in. No dead fish can be brought to the weigh-in.
5. Must be a minimum of ten (10)" in length. Smaller fish may be kept for harvesting, but not weighed in.
6. The total weight of the eligible crappie will determine the winner. The heaviest total weight wins. Ties will be awarded to the participant who weighed in earliest.
7. Prizes awarded and paid to the winning Tournament Registrants based on a boat team and not as an individual. The Tournament Director or designee will determine the number of winning places to be paid.

CFC may survey and harvest all undersized legal fish brought to the weigh-in. Fishermen who want to retain their fish may do so.

Updated May 2026

The National Safe Boating Council recommends these tips for boaters:

Take a boating safety course.

Gain valuable knowledge and on-water experience in a boating safety course with many options for novice to experienced boaters.

Check equipment.

Schedule a vessel safety check to make sure all essential equipment is present, working and in good condition.

Wear a life jacket.

Make sure everyone wears a life jacket - every time. A stowed life jacket is no use in an emergency.

Use an engine cut-off switch it's the law.

An engine cut-off switch is a proven safety device to stop a powerboat engine should the operator unexpectedly fall overboard.

Watch the weather.

Always check the forecast before departing on the water and frequently during the excursion.

Know what's going on around you at all times.

Nearly a quarter of all reported boating incidents in 2022 were caused by operator inattention or improper lookout.

Know where you're going and travel at safe speeds.

Be familiar with the area, local boating speed zones, and always travel at a safe speed.

Never boat under the influence.

A BUI is involved in one-third of all recreational boating fatalities. Always designate a sober skipper.

Keep in touch.

Have more than one communication device that works when wet. VHF radios, emergency locator beacons, satellite phones, and cell phones can all be important devices in an emergency.

About the National Safe Boating Council

Established in 1958, the National Safe Boating Council is the foremost coalition for the advancement and promotion of safer boating through education, outreach, and training. For more information about NSBC programs and professional development opportunities, visit www.safeboatingcouncil.org.

MONTHLY CLEAN-UP SCHEDULE 2026

December 14 - 18th

July 2026

BRIDGE CLUB

By Jeanne Collins

In April, 2025, the Los Angeles Times published an article about a "passionate" 85-year-old area bridge player, Maurice Parker. Maurice is better known as "Wes" Parker, who for 10 years was the superb first baseman for the 1960s L.A. Dodgers. During that time, the team won four league championships, but was featured in Sports Illustrated for the unusual story about its Locker Room bridge game. Wes was one of the foursome and probably the organizer. However, Wes is not the most famous bridge-playing first baseman. Teams used to travel by train, and the train of the famed New York Yankees had a running bridge game with one of the regulars being Lou Gehrig, considered the greatest first baseman of all time.

By the time you read this, it will be mid-season for the MLB, and the CWC bridge club will have different factions rooting for the Texas Rangers, Houston Astros and even the New York Yankees! We invite you to join us for card games, with our version of a Grand Slam being 7 No-trump! We play 1st, 3rd & 5th Wednesdays at the CWC Library, next door to the CWC Office. We start at 11:30 am and play four rounds, usually finishing by 2:30 pm. On the first Wednesday of each month we have a pot-luck luncheon, beginning at 11:00 am.

Our games are very informal, and men and women of all skill levels are welcome. If you do not know how to play, we will teach you. The person with the high score for the room each Wednesday gets to put his or her name "On the Wall".

If you would like to join in, please do not hesitate to just show up on any Wednesday. We look forward to meeting you!

NEWS FROM THE 19TH HOLE

by Cherie Anglin

SUMMER HOURS ARE HERE the Pro Shop will be open from 7:00 AM to 6:00 pm Tuesday through Sunday. We are closed most Mondays for Course Maintenance.

Fun Bunch Scramble is every Saturday except for Tournament

day. Scrambles start at 9:00 AM, check in begins at 8:30. Its a blind draw for partners so come out and play.

Ladies day is every Tuesday, tee off during the summer is usually between 8 and 8:30 AM, contact the Pro Shop for start time. Ladies have priority of play, please give way. Ladies start on holes 1-4 depending on players. Restrooms are located on hole #6 and in the club house.

Our next Tournament will be

on July 11th its our Fundraiser / Firecracker tournament. Sign up in the Pro Shop the cost is \$50.00. Start time is 9:00 AM Check in begins at 8:30 AM. Lunch will be provided. Donatation are welcome. After the Tournament there will be an auction and raffel.

Our next board meeting will be on July 9th at 6:00 PM all are welcome to attend.

Our first Adult Golf Camp was hosted by Bill Blanks and was a huge success thank you Bill and

your assistants for putting that together.

The last of the sod has been layed and the course is looking great and ready for golfers. New Tee box on hole #3 is in process of being completed and will be in service later this summer.

We want to welcome our new members: Adam Clark and Michael Hayden, and Tommy Hightower and Welcome back to our returning members James Patterson and Earl Griffin.

AED

FIRST CALL 911

AED stands for Automated External Defibrillator. It's a portable electronic device used to deliver an electric shock to the heart of a person in sudden cardiac arrest to restore a normal heart rhythm. AEDs are designed to be easy for anyone to use, even without special medical training.

The AED uses voice prompts, lights and text to tell the rescuer the steps to take. AEDs may have two sets of pads — adult pads and child pads. For CPR, anyone 1 year or older who hasn't gone through puberty is considered a child. However, for defibrillation, make sure you use the adult pads for anyone 8 years or older. Follow these steps when using the AED: • Turn on the AED and follow the voice prompts. • Remove all clothing covering the chest. If necessary, wipe the chest dry. • Peel away the backing from the pads and attach the pads to the person's bare chest following the illustration on the pads.

There is a AED located on the wall between the women and mens restroom on the Island
